

# Scholarship Information

Established in the name of longtime Modern Art Museum supporter Elise Greenman, this fund allows us to award education scholarships to children for museum classes, art camp, and summer art study. We are grateful to the generous donors who have made it possible for us to award numerous scholarships through this program over the years. Scholarships are granted based on need and a child's interest. A teacher recommendation is required.

Mail applications to: Education/Christine Bisetto, Modern Art Museum of Fort Worth, 3200 Darnell Street, Fort Worth, TX 76107. E-mail applications to [christine@themodern.org](mailto:christine@themodern.org). Fax applications to Education/Christine Bisetto 817.840.2104
