

MODERN ART MUSEUM OF FORT WORTH

PARKING MAP

ABOUT THE MAP

- Free parking is available in the museum parking lots.
- West 7th parking garages are available for free with validation. The museum can validate parking.

- Free parking is available in the UNT Health Science Center garage and lots across Camp Bowie Blvd. on Friday evenings, Saturdays, and Sundays.
- Paid parking (\$5) is available in the Platinum Parking lot across from the Modern on University Drive.
- Paid parking is available in the Will Rogers Memorial Center Lot and Garage (hourly rate).

For an extended period of time, the large parking lot across the street from the Modern will be closed for construction.

We apologize for any inconvenience this may cause. During this time, we suggest visitors give themselves extra time to find parking. We have included a map and guide to help you navigate the area and find a parking spot as quickly as possible.

On Saturdays and Sundays, as well as for First Fridays at the Modern, a valet option is available at the front door of the museum for \$10.

The T Bus System (Route 2W and 7), Uber, Lyft, taxis, and Fort Worth Bike Share also offer easy, cost-effective alternatives to driving your own car to the museum.

Please contact us if you have any questions about parking options in the Cultural District by calling 817.738.9215 or sending an email to info@themodern.org during business hours. This information is also available on our website, www.themodern.org/visit/map-and-directions.
