

TEEN/ARTIST PROJECT
2017-2018 VOLUNTEER APPLICATION

The Modern Art Museum of Fort Worth's education department is accepting volunteer applications for the Teen/Artist Project (T/AP). This program is a special, in-depth series of classes for high school students who work with visiting artists. The 2017-2018 TAP runs from September 2017 through May 2018. Classes meet in the Museum studio on most Sundays from 2 to 5 pm, and volunteers are expected to attend all class meetings. Up to fifteen students are selected to participate in the program each year; they work with multiple visiting artists over the course of the series, exploring artwork in the galleries and continuing research in the studio. The program ends in May of 2018 with a juried exhibition of the students' work at GALLERY 414.

Volunteer Responsibilities:

- be available from 2-5 pm every Sunday during the program, per the schedule below
- assist visiting artists with projects; help students throughout the class
- assist with cleanup after each session
- send weekly T/AP student e-mail
- document the program via photographs with Museum equipment
- assist in preparations for the annual exhibition in May
- be available on the weekends (during gallery hours) for the duration of the T/AP exhibition

Teen/Artist Project volunteer opportunities are open to energetic and committed adults, age 18 and older (who have graduated from high school), with an interest in art and mentoring teens. Experience in art making is preferred and an interview is required.
