Fall 2020 • Modern Art Museum of Fort Worth

“From thought-provoking exhibitions to Art Camp for our children and beer-paired dinners for the adults—everything at this Fort Worth gem is top-notch and fun to be a part of. And to be perfectly honest, the architecture of the building makes us happy.”

Modern members are part of a larger community that recognizes and celebrates the power of art. Many consider the galleries dear friends, ones that have greeted guests with new perspectives and different ways of understanding our ever-changing world. Members are an essential part of the Modern's ability to achieve its mission of serving the widest possible audience from across North Texas and beyond. Our work goes hand in hand with that invaluable support, and in exchange, we aim to provide an unparalleled and enriching experience to be enjoyed year-round at the Modern.

“Space will only have a life when people enter it. So, the important role architecture can play, and that space plays within that architecture, is to encourage an interaction between people, between people and the ideas being presented in the paintings and sculpture, and most importantly between people themselves.”

– Tadao Ando, Architect

The Modern Art Museum of Fort Worth is grateful to our members for their continued support during this challenging time. We look forward to providing a place of respite and reflection in Tadao Ando’s serene masterpiece in the heart of the Cultural District.

We strive to provide members with exceptional customer service and access to membership staff. We always appreciate your feedback as we are constantly working to create a membership experience that fosters an inclusive, welcoming community for all.
